Craft activity

This weeks craft activity is a short one. You will only need:

- Piece of card (you can choose the colour);
- A marker.

The Jews living in Susa had a lot to worry about, they were going through a lot. We today are also going through a lot of hardship. However, it is important to stay positive and grateful even when we are suffering. With your piece of card, I want you write down at least 10 things you are grateful for, put the piece of card on your wall or somewhere you can see it on a daily basis and thank God for those 10 things everyday.

Have a great week!
